

## Under 12 & Under 14 Representative Basketball 2018

### **Dear player, parent and guardian**

Thank you for your interest in representing Maryborough Basketball. As you are aware we are affiliating with Basketball Qld thus enabling us to participate in tournaments. The CDC tournaments are the played against associations in the central region which Maryborough falls under (Rockhampton to Hervey Bay and out to Emerald). Three tournaments are played in a weekend of a round robin to determine rankings for the State Championships.

We would look to participate in all three tournaments for the CDC. If our team numbers per team were sufficient (eg at least 8 players minimum) and it would be financial viable and beneficial to everyone involved our aim would be to attend the State Championships as well.

Squad training will be held and if the number of players are more than 10, then some players may be chosen for one or more CDC but not the State Championship. A Final team would be named after the final CDC.

Players need to be available for the dates below. Players need to be available for training sessions as set by the coaches. Expectation would be at least 2 sessions a week plus individual input.

Currently all coaching and manager positions are being finalised. If you are interested in assisting in a role of coach, assistant coach or manager please let me know.

Bundaberg and Hervey possibly Gympie were hoping to have some intercity games before the first CDC date of 18<sup>th</sup> March. I have expressed that we are interested but unable to commit to anything at this stage. Dates below with only one day per age group. Bundaberg, Hervey Bay and Maryborough to Host a weekend each. I'm not sure we would be ready.

Intercity:- 3 or 4th February, 17 or 18th February, 3 or 4th March have been suggested.

### **CDC Tournaments Under 12/14**

Sat 17 <sup>th</sup> – Sun 18 <sup>th</sup> March	Gladstone
Sat 28 <sup>th</sup> – Sun 29 <sup>th</sup> April	Emerald
Sat 26 <sup>th</sup> – Sun 27 <sup>th</sup> May	Bundaberg
